Sir:

In response to the Office Action mailed January 29, 2002, please amend the above-captioned application as follows:

IN THE CLAIMS:

Please cancel claims 1- 7 without prejudice or disclaimer.

Please add new claims 8-23

8. A writing or marking on a transparent plastic member having a front side surface from which the marking is to be read and a rear side surface opposite the front side surface, wherein the writing or marking is formed by an array of protrusions having the shape of spherical segments on the rear side surface and wherein the array of protrusions is arranged to convey information.
9. The writing or marking of claim 8, wherein the information may be conveyed to a viewer viewing the front surface of the plastic member.
